Compassion Ranch

Animals getting second chances for life.

Progress & **P**lans about animals & programs for partners, students, and nonprofits.

Contents: unexpected donor, tax benefits, 35 animals, over 10,000 pounds in food….

Friends on my mailing list with whom I share news of progress and plans about our animals,

We received an unexpected donation we needed from a partner recently. When I called and asked what inspired him to donate, he said he could use a tax deduction and thought Compassion Ranch could use a donation.

If you are making year-end donations, please consider the 35 animals who depend on partners of Compassion Ranch to provide food, shelter, health care, and daily handling.

Or, perhaps you know others who love animals and may appreciate your introducing them to us. The partner who donates most of the animal food that comes in bags was told of our work by a friend who sent her a note and the website address. She looked at the website and sent me a note and donation saying we were the kind of organization she could get behind. You may help us with your donation and you may help us as much or more through your advocacy to others.

We increased to 35 animals this year who will eat 13,000-14,000 pounds of feed and hay this month. A few seniors require expensive diets to stay healthy.

Finally, all 35 have shelter from cold or stormy weather. We are building and improving stalls and hayracks, which need materials and carpentry expense. We like to hire students to work part-time to help us improve. We need the labor and we intend to make the learn-work experience for students positive as part of our mission. If you want to know more about your options for impact on animals and/or people, I can call or send more.

On behalf of Patriot, Star, Indy, Cody, Princess Katie, Crockett, Scarlett Baye, Lancelot, Braveheart, July, Honk, June, Jill, Storm, Spirit, and Spaniard, plus Billy and Bendi, and of course, Cowgirl, Chief, Lady, Annie, Rambo, Cowboy, and Triple D, joined by Night, Midnight, Angel, Diamond, Tux, Bella, Panther, Tessee Chaton, Tabitha Socks, and Stormy Magic…

Thank you for caring about the animals and reading my mail sent to you. Happy New Year.
